REQUEST FOR SCHEDULE ADJUSTMENTS

This form serves as your official request for special consideration within the league and other competitions schedule. It, however, does not guarantee that it will be accomplished but every effort will be made to accommodate your request, whether is scheduling games at a certain time or not being scheduled for a particular date.

If you have certain dates where you know your team will be involved in items such as an affiliated tournament, players taking ACT/SAT tests, UEA Teachers Convention weekend, Easter Weekend, wedding for one of the players, LDS conference, etc., then this is the time to do it. Not having enough players to field a full team or lacking your best players IS NOT a reason for rescheduling. Do not ask for any rescheduling once the schedule has been made for the season.

This form must be return to the Association's office by TUESDAY, FEBRUARY 10, 2009 in order for this request to be considered.

Below please write your request and must include the reason why:
